Re: Closure of Emergency Administrative Order
Docket No. SDWA-8-2001-32
PWS ID# WY5600214

Dear Mrssr. Bybee, Stickel, and Ms.Shepherd:

This letter is to inform you of the Environmental Protection Agency's (EPA) decision to close Emergency Administrative Order ("Order"), Docket Number SDWA-8-2001-32, issued to the Snake River Mobile Home Park on September 19, 2001. Notwithstanding the previous noncompliance with the Order, EPA has decided that the conditions at the Snake River Mobile Home Park Public Water System no longer pose an imminent and substantial endangerment. EPA has therefore decided to close the Order.

Please be aware that Snake River Mobile Home Park is still required to comply with the National Primary Drinking Water Regulations (NPDWR), 40 C.F.R. part 141 and the Administrative Order, Docket Number SDWA-08-2005-0028, issued June 17, 2005. Violation of the NPDWRs or an administrative order may subject Snake River Mobile Home Park to a court imposed injunction and penalties of up to \$32,500 per day of violation.

If Snake River Mobile Home Park has any questions about this issue, please call Melanie Wasco of my staff at (303) 312-6540.

Sincerely,
